

D-GROUP COVENANT

Lord willing, I commit to the following expectations:

- I pledge to surrender my whole life to following the will of Jesus as I seek to experience significant spiritual growth during this special season of my life.
- I will meet with my Discipler and other group members for approximately one to one and a half hours every week, unless providentially hindered.
- I will have a regular Quiet Time. (e.g. Bible reading plan, Scripture Memorization, HEAR Journals)
- I will grow in my knowledge and understanding of our God (e.g. taking notes during sermons)
- I will consistently attend Sheboygan eFree Sunday Worship and RISEN.
- I will make disciples by investing in the spiritual growth of those around me.
- I will be honest about my sin struggles and strive to resist temptation for the edification of others in the group as well as my own spiritual growth.
- I will contribute to creating a secure environment for everyone by not gossiping or sharing sensitive information with others outside the group.
- I will serve in my home, local church, and community.
- I will develop strong friendships with other followers of Jesus.
- I will regularly pray for my Discipler and other group members who are on this discipleship journey with me.
- I will begin praying about replicating the discipleship process with new members.
