**Discussion Questions**

- What particularly stuck out to you from Pastor Bennett's message? In what ways were you challenged?
- In your own words, what does it mean to be created in the *imago Dei*?
- How does the *imago Dei* provide a basis for the sanctity of human life? How does it provide a basis for human rights that a secular view can't offer?
- What are some ways that people reflect their Creator?
- The Bible teaches that all people, made in God's image, have an innate awareness of God's reality (Romans 1.18-25). How does this innate awareness show itself?
- How would your life be different if you *really* saw everyone around you as God's image—with the innate dignity and value that entails? What would happen to the things you think and say to or about others?
- How was Jesus the *perfected* image of God—over against Adam?
