

LIFEGROUP APPLICATION QUESTIONS

These questions are for the July 26, 2026 message, "Discipleship: Show me you Care." Please read the sermon passage (Mark 5:38-43) out loud.

SERMON OUTLINE

Healthy Discipleship: Love God well

- Godly, mature Christians produce Godly mature Christians
- Your input affects your output
- As you grow closer to Christ, you start to love people like Christ

Relational Discipleship: Love people well

- Jesus loves people by being...
 1. Personal
 - a. Jesus meets people where they are
 - b. Jesus method with each individual varies based on need
 2. Purposeful
 - a. Jesus is intentional
 - b. Jesus is patient
 - c. Jesus corrects false understanding
 3. Present
 - a. Jesus is faithful in times of crisis
 - b. Don't stop believing God is at work when you stop seeing how he can work
 - c. Jesus speaks truth and encouragement in the midst of broken situations

DISCUSSION QUESTIONS

1. How are you currently growing in your walk with Christ? As a life group, how can we help each other grow?
2. What does it mean to show others the love of Christ? How can we as individuals and as a lifegroup practically show the love of Christ?
3. Have there been times you were tempted to feel like God wasn't at work or God couldn't work in a broken situation? How were you pointed back to truth?
4. Discipleship happens in relationship. Who has God placed in your life that you can be intentional model healthy discipleship to and lead to know and follow Christ?
5. Where is an area you can serve or already serving in, either in church or outside church, where you can help others to know and follow Jesus?
